Sunak's U-turn

- ❖ Rishi SUNAK, the British Prime Minister, has revealed net-zero policy shift.
- ❖ This announcement has sparked off a hot debate both within his party and in the opposition.
- ❖ One of the most eye-catching changes is delaying the 2030 ban on sales of new, fully petrol and diesel cars, announced by his predecessor Boris Johnson.
- ❖ Some in the car industry have warned that delaying the ban on new petrol and diesel cars could hit investment and therefore electric vehicle sales
- ❖ Yet Mr Sunak asserts it should be the consumer who decides whether or not to buy an electric car.
