# King Charles III in Versailles

- ❖ King Charles III and Queen Camilla took a three-day trip to France on September 20th 2023.
- ❖ Their trip was due to take place last March but President Macron had to reluctantly postpone it due to “ French-style demonstrations ” and strikes provoked by the pension reform.
- ❖ Not only did the royal couple visit Paris but they also flew to the Hôtel de Ville, in Bordeaux to celebrate the historic ties between the UK and this city which is home to almost 40,000 Britons .
- ❖ The two other highlights of this state visit were the dinner in the Château de Versailles and King Charles III’s speech at the French Senate delivered with sections in French and in English.
