

**VOCABULARY 8 - EXERCISES**

**1. Fill in the blanks.**

A. Since the concept of monarchy is **undemocratic** I think it should **be abolished**

B. And what would you **replace it with**?

A. A standard republic, like that of France!

B. Don't you think the French President lives like a **King** in his Palais de l'Elysée?

I don't know, but there's one thing I'm sure about — for me, it is absolutely **unjustifiable** to **be in office by accident of birth**!

A. Er, but these **unelected figures**, like **Queen** Elizabeth II, **act as elements of continuity** and **national unity** — therefore, they are **symbols of national stability**!

A. And they receive **substantial amounts of money from tax payers** that must pay to **maintain and run their royal palaces**. This is **unfair**!

B. Well....

A. Some members of this royal family have also **become national embarrassments** with many **sex scandals** and **failing marriages**.

**2. Write 5 positive structures / words and 5 negative ones concerning the British Monarchy.**

Positive aspects	Negative aspects
<b>act as elements of continuity</b> <b>act as elements of national unity</b> <b>symbols of national stability</b> <b>The king acts as a neutral Head of State</b> <b>Strengthens national tradition</b>	<b>Undemocratic</b> → <b>unelected figures</b> <b>costly: substantial amounts of money from tax payers to maintain and run their royal palaces</b> Some members of this royal family have also <b>become national embarrassments</b> with many <b>sex scandals</b> and <b>failing marriages</b> <b>can appear outdated</b>
